Dear Assembly Selection Committee,

I am writing this recommendation on behalf of Bobby Jones. Today, we had Bobby come in and speak to our Middle School students and he did a wonderful job. By sharing his story, and the outcome of choices that he made, he was able to provide a message of hope to our students that forced them to reflect on the choices that they are making. His message of understanding the consequences of our choices, surrounding yourself with the right people, and being able to bounce back from mistakes in your life are all things that our students needed to hear. Bobby has a tremendous amount of enthusiasm and he was able to hold the attention of our students from beginning to end. I appreciated his honesty and enthusiasm. Bobby's passion for wanting to help young people is very evident. The feedback that I got from his presentation was overwhelmingly positive. The students connected to Bobby and our staff felt like his message was a great message to share with our students. It was a wonderful way for us to kick off a new year and semester. I would highly recommend having Bobby Jones as a speaker in your school.

Sincerely,
